

Interchange Outer East presents

EMOTION ENGINEERS

An emotional regulation program
for kids with disability aged 5-12.

This program provides capacity building through engaging, group based activities which teach emotional regulation, mindfulness and social skills. The program works through a range of different exercises to promote skill development & relationship building.

When: Thursdays 4pm to 5.30pm

Where: Ferntree Gully or Lilydale TBC

Cost: \$663.68 NDIS (six weeks)
\$60 out of pocket cost
